

Asynchronous motor a cage

Mounted on metal base with 4 rubber feet anti vibration and with a possibility of coupling with other machines

Dc motor of industrial version on metal base

Engine has continuous current

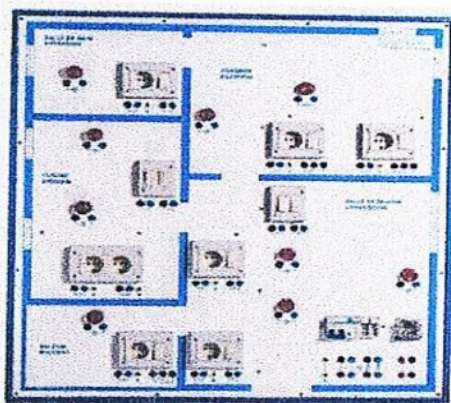

Asynchronous motor has cage has 2 speeds

Asynchronous motor a cage to 2 speed sépare windings mounted on metal base with 4 rubber feet anti vibration

Machine of industrial version on metal base mounted in balance

Generator has continuous current with balance

Simulator of circuits of Lighting

A general protection by differential circuit breaker and with a protection of lighting circuits and prises Liaisons by protected cords

Address: PO box 570 Oued HAMIMIME

EI-Khroub, Constantine – ALGERIA

TEL +213 31 95 52 28/30 / FAX +213 31 95 54 51/52

Binomial workstation

Configurable and customizable workstations or assembly stations for the industry according to your needs.

For engine of power less than or equal to 500W didactic version

Starter Etoile triangle for asynchronous machine

Workstation for a binomial

Worktable to a pair fitted with an operating unit of power

Work table for two pairs with a console of power supply

Workstation for two BINOMES
